To Whom it May Concern:

We have been using Carpet Care Cleaners since September of 2010. We have been very happy with their quick response and the cleanliness of the carpets. Our previous carpet cleaning company began to have problems losing keys, not submitting bills and employees not actually cleaning carpets assigned. We have never had any problems with Carpet Care Cleaner's professionalism or returning keys/bills in a timely fashion. We manage an apartment complex and require a quick turn-around to get them re-rented and CCC has always responded quickly in our requests for carpet cleaning.

We would highly recommend Carpet Care Cleaners.

Sincerely,
